

# and Redmond High School PTSA

have partnered to provide the opportunity for students to take a “just for practice” ACT and/or SAT test. After taking the test, students return for a “scores back” session during which they will receive their graded tests along with the answer key so they can determine their strengths and weaknesses. Scores are not reported to anyone other than the student. These tests are open to any interested students (not just RHS students). **Important Note:** These are unofficial tests, just for practice, and are different from the official PSAT (Preliminary Scholastic Aptitude Test) which will be administered on October 14 by RHS Career Services staff.
