Reflections PTSA Arts Recognitions and Achievement Program

Designed to enhance rather than replace a quality arts education, the PTSA® Reflections ProgramSM provides opportunities for students to express themselves and to receive positive recognition for their artistic efforts.

PTSA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual arts Reflections Program. The program offers students the opportunity to create works of art for fun and recognition. Students in preschool through grade 12 are encouraged to create and submit works of art in six areas: dance choreography, film production, literature, musical composition, photography, and the visual arts (which includes art forms such as drawing, painting, print making, and collage). For more than 40 years, the program has encouraged millions of students across the nation and in American schools overseas to create works of art. The Reflections Program was started in 1969 by then Colorado PTA President Mary Lou Anderson.

Students participate in the Reflections Program by submitting entries to their local PTSA.

Rules and deadlines are not the same for all PTSA's. Contact our Reflections Chair Alison Johnson at alison.johnson@comcast.net for more information.
